

Going Shopping! Selecting 50 States Gratuities for Embassy Contacts

Project Title	Going Shopping! Selecting 50 States Gratuities for Embassy Contacts
Project Summary	Research options for gratuities (gifts) for the Embassy to distribute to contacts that showcase American products and culture from all fifty states.
Country	Azerbaijan

Project Description

Every year the embassy recognizes its most important contacts with small gifts under \$30 each that have a personal touch that both emphasizes something about America and would be appreciated by our contacts. We are looking for someone to help find unique gifts from each state. For each state, we would like: a sweet (or something non-perishable to eat), an alcoholic beverage, and a small non-food gift. Additional gratuities ideas for VIPs would also be welcome. We are looking for someone with flair for finding creative and tasteful gifts that will be used for next year's gratuities.
